REFRESHING NEW LOOK ... SAME GREAT TASTE!

32 oz. (946 mL)
Item Code #13204

OXIDIZED MINERALS MAY APPEAR AS FLOATING MATTER FROM TIME TO TIME. THIS WILL NOT DIMINISH THE PRODUCT'S EFFECTIVENESS.

WARNING: If you are pregnant, nursing or taking medications, consult with your healthcare professional before using this product.

DIRECTIONS:

1. Shake well before using.
2. Store in cool environment after opening.
3. Suggested as a food for special dietary use.

SUGGESTED USE:

Adults, mix one or two fluid ounces in a small glass of fruit or vegetable juice of your choice. Drink during or after meals, one to three times a day or as desired. For children, reduce amount by two-thirds.

* Daily Values are based on a 2,000 calorie diet for adults and children over 4 years of age.

OTHER INGREDIENTS: Plant Derived Minerals, Purified Water, Fructose, Natural Flavors Blend, Citric Acid, Sodium Benzoate, Potassium Sorbate (for freshness).

OUR SOILS WERE NOT ALWAYS DEFICIENT IN MINERALS

Seventy million years ago, dinosaurs walked on soil rich with minerals. At least 77 of these minerals became water-soluble as they transmuted through the root system of plants, forming ancient flora that was luscious, succulent, vibrant, and life-sustaining. Eventually, these prehistoric plants became encapsulated in the Earth's crust in the form of humic shale. Each quart of **Cheri-Mins™** contains a wide spectrum of plant derived minerals leached from humic shale mined from Southern Utah and ranging from A to Z on the minerals list. **Cheri-Mins™** is made from all-natural ingredients and has no starch, wheat, or yeast.

PLEASE REFER TO OUR ICON REFERENCE GUIDE @ WWW.YOUNGEVITY.COM

EACH QUART CONTAINS A NATURAL ASSORTMENT OF APPROXIMATELY 19,000 MG OF 100% NATURAL PLANT MINERALS SOLIDS.
