ULTIMATE GLUCO-GEL™

For years, Dr. Wallach has been recommending gelatin as part of a daily health routine. Gelatin contains chondroitin sulfate, a main building block of bone matrix, cartilage, ligaments, tendons, and connective tissue. Now, Ultimate Gluco-Gel™ is the ultimate way to get your daily dose of gelatin. Glucosamine is widely recommended for healthy joint support.

- Contains 100% pure beef gelatin
- Fortified with glucosamine sulfate and manganese
- Gelatin contains chondroitin sulfate
- Helps support cartilage and joint function*
